

**2022 in Review**

**And what to see in '23!**

# 2022 in Review

NDIS Amendments passed, and then came into effect:

- Plan Variation
- Extending definition of permanent to some disabilities that are episodic or fluctuating in nature
- Risk assessing choice of using a registered Plan Manager and Self Managing
- Scheduled reviews became reassessments
- Acknowledging the need for greater representation of disability on NDIS Board

# 2022 in Review

- SCHADS Changes
- New Government
- NDIS review 2.0 announced
- Attempts to make working within NDIS plans easier
  - Meal prep and delivery
  - Home Mods & Mid Cost AT
- Hospital Discharge Plan
  - Latest Reporting to have shown positive results
- Several strategies/Operational Guidelines created or refreshed
- Co Design ramping up

# 2023 outlook

- New NDIS systems - "3P" - Participants, Platforms and Process
- Impact of new Government, representation on Board, commentary from NDIS 2.0
- Increase of "Self Service" for participants
- Price increases for intermediaries?

# 2023 outlook

## New for Providers:

- Concept of an endorsed provider
- No single payment request (only bulk)

## New for Support Coordinators:

- New portal for registered and unregistered SCs

## Support Coordinators

All Support Coordinators will need to use the new Provider Portal to accept or decline RFS

Registered providers will not need to do anything – they will already be added. Access via NDIS website>Portal tab>PRODA

With participant consent support coordinators and recovery coaches can view a participants plan information.

Support Coordinators will submit their completed reports into PACE (implementation and progress reports)

Unregistered providers will have communication from the NDIA on how to gain access to the new provider portal
